A more Grenache-dominated cuvée that includes some younger vines, the 2023 Châteauneuf Du Pape Cuvée Les Silex is 80% Grenache and 20% Syrah from the Cabrières lieu-dit that was partially destemmed and brought up all in concrete. It exhibits a deeper ruby hue as well as classic notes of black cherries, earth, garrigue, and leather. This carries to a medium-bodied, concentrated, slightly foursquare, yet satisfying effort offering solid overall balance and length.
